MEMORANDUM FOR OCCIDENTAL CHEMICAL CORPORATION, GEORGIA GULF CORPORATION AND JEFFERSON PARISH, LOUISIANA

On March 4, 1987, Arkansas Power & Light Company filed a Petition for a Writ of Certiorari ("Petition") in No. 86-1424. Counsel for Occidental Chemical Corporation and Georgia Gulf Corporation and for Jefferson Parish, Louisiana ("Respondents") received the Petition by mail at their respective offices on March 9, 1987.

For the reasons stated in their preliminary Response dated March 12, 1987, to the Petition for a Writ of Certiorari which was filed by the Arkansas Public Service Commission, *et al.* in No. 86-1380, Respondents respectfully suggest that the Court (1) defer consideration of the Petition, and (2) hold in abeyance all action in this proceeding pending final action by the United States Court of Appeals for the District of Columbia Circuit on the three petitions for rehearing and suggestions for re-

hearing *en banc* of the panel decision in *Mississippi Industries* v. *Federal Energy Regulatory Commission.* Should the Court not concur in this suggested course of action, Respondents respectfully request that the time for filing briefs in opposition to the Petition be extended, pursuant to Supreme Court Rules 22.1 and 29.4, until 30 days after the Court's disposition of Respondents' suggestion herein.

Respectfully submitted,
